

VCU Pathology Grand Rounds

“P53 immunohistochemistry in acute myeloid leukemia”

Elena Fenu, MD
Molecular Genetic Pathology Fellow
Department of Pathology
Virginia Commonwealth University
School of Medicine

At the conclusion of this activity, the participant will be able to:

1. Understand the impact of TP53 mutations on acute myeloid leukemia
2. Discuss the importance of testing modalities with a rapid turnaround time (such as immunohistochemistry)
3. Prepare for future research developments in TP53-mutated acute myeloid leukemia

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Accreditation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

Credit Designation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System designates this live activity for a maximum of **1.00 AMA PRA Category 1 Credit(s)**™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
