

# VCU Pathology Grand Rounds

## “Cutaneous Rosai-Dorfman disease with MAP2K1 mutation initially mimicking an infectious process with parasitized histiocytes”

**Joseph Gillam, MD**  
PGY 4  
Department of Pathology  
Virginia Commonwealth University  
School of Medicine

**At the conclusion of this activity, the participant will be able to:**

1. Gain a better understanding of the clinical course of Cutaneous Rosai-Dorfman disease
2. Further understand the potential patient impact of misdiagnosis in cases of cutaneous Rosai-Dorfman disease
3. Observe an uncommon mimic of Rosai-Dorfman disease which can result in misdiagnosis and ineffective treatment

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**Accreditation:** VCU Health Continuing Medical Education of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

**Credit Designation:** VCU Health Continuing Medical Education of Virginia Commonwealth University Health System designates this live activity for a maximum of **1.00 AMA PRA Category 1 Credit(s)**™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
