

Phosphatidylethanol (PEth) – Change in Performing Laboratory

Orderable: Phosphatidylethanol (PEth) [LAB1230124295]

Effective June 6th, 2024, the laboratory performing Phosphatidylethanol (PEth) testing will change from LabCorp to ARUP in order to decrease turnaround times.

Previous Performing Laboratory	Updated Performing Laboratory
LabCorp	ARUP
Turnaround time: 5 – 10 days after receipt	Turnaround time: 1-4 days after receipt

Explanation:

Prior to June 6th, 2024, PEth samples were sent to LabCorp for analysis. To decrease result turnaround times, specimen testing will now be performed at ARUP.

To assess for any potential result reporting differences, samples were sent to both laboratories for comparison and the interpretation will remain the same.
