

TEG6 – New Order to Replace TEG and TEG30 Orders in EPIC

Orderable:

TEG6 [LAB1233970]

Effective Monday, December 1st, 2025, TEG6 and TEG6 on Heparin orders will be replacing TEG and TEG30 orders in EPIC. An upgrade to the TEG6 technology is required at the VCUMC Blood Gas Laboratory due to the sunset of Windows 10 software that supports the current TEG5000 analyzers.

Please direct any questions to Pathology Client Services at (804) 828-7284, Jennifer Jones or Brandon Williams (Blood Gas Laboratory) at (804) 628-6991, or Dr. Alden Chesney (Director of the Hematopathology Laboratory) at (804) 628-1319.
