

# VCU Department of Pathology

Transfusion Medicine is proud to announce that we had 4 papers selected for publication in the September 2011 special edition of Transfusion. Along with the publications, these papers were presented at the 2011 International AABB Annual Education Meeting in San Diego, California from October 21 through October 25, 2011. The selected works and authors are as follows:

**Improving Processes Performed Outside Blood Bank**

Brenda Rose, Joan Wunderly, and Dr. Kimberly Sanford

**Improving Occurrence Reporting: Making a Good Process Great**

Andre Stalley, Steven M. Armstrong, Brenda Rose, and Dr. Kimberly Sanford

**Providing Patient Transfusion Service Information Quickly and Easily to Enhance Patient Care: An Interdepartmental Success Story**

April Hord, Steven M. Armstrong, and Dr Marie Do

**Comparison of Different Methods for Performing Isohemagglutinin Titration**

Carolyn Stockton, Michele Andolina, Steven Rothman, Steven M. Armstrong, and Dr. Kimberly Sanford
