

2014 Transfusion Medicine Abstracts

VCUHS Department of Pathology had 2 accepted abstracts for publication this year. These abstracts will also be presented at this year's AABB national meeting. Please congratulate Sandra and all the co-authors for this year's publications. Great job team!

Platelet Utilization Forecasting: Using the Past to Predict the Future

S Lamm, A Stalley, R Bhavnagri, S.M. Armstrong, K Squyars, K Sanford

AABB Assessing: The VCU Medical Center Key for Cost Effective Quality Assurance Dominance

S.M. Armstrong, A. Stalley, and K. Sanford
