

W. Greg Miller, PhD

Professor, Department of Pathology
Co-Director of Clinical Chemistry
Director of Pathology Information Systems
Department of Pathology
Virginia Commonwealth University
Office: (804) 828-0375
Greg.Miller@vcuhealth.org

Licenses & Certifications

American Board of Clinical Chemistry, 1976

Education

Postdoctoral Fellow in Clinical Chemistry
Department of Pathology, Division of Clinical Chemistry
Ohio State University, College of Medicine, Columbus, Ohio
1973 - 1975

PhD Biochemistry
University of Arizona, Tucson, Arizona
1973

Awards

Van Slyke Award, New York Metro Section, American Association for Clinical Chemistry, 2023

European Organization for External Quality Assurance Providers in Laboratory Medicine, Adam Uldall Lectureship Award, 2018

Clinical and Laboratory Standards Institute, Russell J. Eilers Memorial Award, 2018

Wadim Roman Traveling Lectureship Award, Australasian Association of Clinical Biochemists, 2016

Featured on the cover of *Clinical Chemistry* for an "Inspiring Minds" article, 2016 volume 62 (May), pages 673-5

Named on *The Pathologist* (UK) 2015 list of the 100 most influential laboratory medicine professionals

Robert Schaffer Award for Outstanding Achievements in the Development of Standards for Use in Laboratory Medicine, International Federation of Clinical Chemistry and Laboratory Medicine, 2014

Past President's Award, American Association for Clinical Chemistry, 2013

Award for Excellence in Global Leadership in Standards Development, Clinical and Laboratory Standards Institute, 2012

Transatlantic Lectureship Award, Association for Clinical Biochemistry (UK), 2012

Outstanding Lifetime Achievement Award in Clinical Chemistry and Laboratory Medicine, American Association for Clinical Chemistry, 2007

Presidential Citation, American Association for Clinical Chemistry, 2007

Award for Excellence in Consensus Management, Clinical and Laboratory Standards Institute, 2007

Miriam Reiner (2006) and Joseph H. Roe (1997) Awards for Contributions to the Field of Clinical Chemistry, American Association for Clinical Chemistry, Capital Section

Virginia Commonwealth University and Medical Center Appointments

Professor, Department of Pathology
Co-Director of Clinical Chemistry
Director of Pathology Information Systems

VCU Service

Pathology Quality Management Program, Chair
Pathology Performance Improvement Council

Hospital Epic EHR Laboratory Leadership Team, Chair
Hospital Keystone Governance Committee

Professional Organizations

American Association for Clinical Chemistry
Clinical and Laboratory Standards Institute, Alternate Delegate for VCUHS

Professional Service (current)

National Kidney Foundation-Laboratory Engagement Initiative

Joint Committee for Traceability in Laboratory Medicine, Chair

National Institute of Diabetes and Digestive and Kidney Diseases (NIH),
Laboratory Working Group, Chair

International Federation of Clinical Chemistry and Laboratory Medicine (IFCC);
Working group for Commutability in Metrological Traceability, Chair

International Federation of Clinical Chemistry and Laboratory Medicine
(IFCC); Scientific Division, JCTLM liaison

International Consortium for Harmonization of Clinical Laboratory Results,
Harmonization Oversight Group

International Organization for Standardization (ISO), Technical Committee 212,
Clinical laboratory testing and in vitro diagnostic test systems

Recent Invited Presentations

Johns Hopkins Renal Grand Rounds, Baltimore, MD, February 1, 2019;
"Laboratory Considerations – Albuminuria and eGFR."
Mayo Clinic Clinical Biochemistry & Immunology, Clinical Core Laboratory Services, Biochemical Genetics Seminar, Rochester, MN, March 7, 2019;
"Standardization of Biomarker Measurements for Chronic Kidney Disease."

Consultative Committee for Amount of Substance: Metrology in Chemistry and Biology, Sevres, France, April 10-11, 2019; workshop on global coordination of standardization activities.

IFCC EuroMedLab 2019, Barcelona, Spain, May 19-23, 2019; conference participant; working group on commutability meeting.

American Association for Clinical Chemistry Annual Meeting, Anaheim, CA, August 7, 2019; Symposium on Putting Quality Control into Practice.

American Association for Clinical Chemistry Annual Meeting, Anaheim, CA, August 8, 2019; Symposium on Removing Laboratory Barriers to CKD Detection and Monitoring: The Laboratory's Role.

North American Menopause Society, Workshop on Normal Ranges for Estradiol in Postmenopausal Women, Chicago, IL, September 23-24, 2019;
"Theoretical and Practical Means of Harmonizing Assays and the Ongoing Process of Quality Control."

Joint Committee for Traceability in Laboratory Medicine, Members and Stakeholders Conference, Sevres, France, December 2-3, 2019. Presentation on: "Understanding and Implementing Commutability" and "ISO 21151 Harmonization Protocol." Workshop on reference materials, procedures and measurement laboratories, December 4, 2019.

Labquality Days, February 6-7, 2020, Helsinki, Finland. Harmonization of Medical Laboratory Practices. "The harmonization journey: where are we going."

American Association for Clinical Chemistry Annual Meeting, Virtual, December 13-17, 2020; Symposium on QC and Proficiency Testing: Myths vs. Best Practices; "What really matters in a QC plan."

American Association for Clinical Chemistry Annual Meeting, Virtual, December 13-17, 2020; Symposium on Fighting CKD together: the patient, clinician, and laboratorian perspective; "Laboratory Tests for the Kidney Profile: Opportunities for Improvement in 2020."

Equalis Expert Groups Colloquium, Sweden (virtual) February 4, 2021; "Why Commutability Matters."

National Kidney Foundation Spring Clinical Meetings (virtual) April 9, 2021; Reflections from the NKF/ASN eGFR Task Force on Reassessing the Inclusion of Race in Diagnosing Kidney Diseases; "Challenges for national standardization guided by insights from the past."

Canadian Society of Clinical Chemistry, Working Group on Reference Interval Harmonization (virtual), April 27, 2021; "New tools for harmonization of results."

Joint Committee for Traceability in Laboratory Medicine, World Metrology Day (virtual) May 20, 2021: Measurement for health; "What is laboratory medicine?"

The Global Creation and Monitoring of the Traceability of Test Results in the Medical Laboratory. September 28, 2021, Winterswijk, the Netherlands (virtual): "The Importance of Commutable Reference Materials and EQA Samples."

Siemens Healthineers, 1st Assay Development TRS Expert Group Annual Conference (virtual), September 24, 2021: "Standardization and Harmonization in Laboratory Diagnostics."

European Organization for External Quality Assurance Providers in Laboratory Medicine, 2021 Symposium (virtual) 13-14 October 2021: "Harmonization through EQA data aggregation."

European Union, TraceLabMed Stakeholder Workshop on Measurement Challenges in Laboratory Medicine. "How aggregated EQA data contributes to harmonisation of clinical laboratory results" 10 November 2021 (virtual).

Joint Committee for Traceability in Laboratory Medicine, International

Consortium for Harmonization of Clinical Laboratory Results, International Federation of Clinical Chemistry and Laboratory Medicine Workshop - Overcoming challenges to global standardization of clinical laboratory testing: reference materials and regulation. Organizing committee chair, panelist and speaker. "New metrological traceability tools; ISO 21151 harmonization protocol and IFCC recommendations for correction for non-commutability of matrix-based CRM." 6-10 December 2021 (virtual).

Association of Pathology Chairs, Town Hall on Implementing the New Non-Race-Based eGFR Equation, speaker and panelist, February 8, 2022 (virtual).

Walter Reed National Military Medical Center, Nephrology Grand Rounds, "How does uncertainty influence estimated glomerular filtration rate." April 19, 2022 (virtual).

IFCC World Lab, Seoul, South Korea, June 28, 2022. Symposium on the Future of Standardization in Laboratory Medicine: Challenges and Opportunities; "Importance of commutability for metrological traceability in standardization and harmonization" (virtual).

IFCC World Lab, Seoul, South Korea, June 30, 2022. Symposium on Standardization and Harmonization of Clinical Laboratory Results; "Commutability issues in standardization and harmonization of clinical laboratory results" (virtual).

32nd Malaysian Association of Clinical Biochemists Conference, September 12-13, 2022; "Recommendations for Implementing the CKD-EPI 2021 Race-Free Equations for Estimated Glomerular Filtration Rate" (virtual).

27th Meeting of the General Conference on Weights and Measures; "The work of the JCTLM to overcome challenges to the global standardization of clinical laboratory testing." November 16, 2022, Versailles, France.
