## Licenses & Certifications

### *Medical Licenses*

2018 - 2023      State License Virginia, Physician MD

### *Board Certifications*

2021      American Board of Pathology, Hematopathology

2020      American Board of Pathology, Molecular Genetic Pathology

2019      American Board of Pathology, Anatomic and Clinical Pathology

## Awards

2019      David S. Wilkinson Professionalism and Service Award, VCUHS

2017      Lyman Resident Research Award, VCUHS

2017      Clinical Pathology Service Award, VCUHS

## Virginia Commonwealth University & Medical Center Appointments

2021 - 2023      Assistant Professor, Hematopathology and Molecular Diagnostics  
Virginia Commonwealth University Health System

## VCU Service

2017 - 2023      Test Utilization Committee

2017 - 2020      Multidisciplinary Resident Driven Quality Improvement Council

2018 - 2019      Chief Resident, Department of Pathology

2019      Teaching Excellence Awards Committee

## Professional Organizations

College of American Pathologists

American Society for Clinical Pathology

United States and Canadian Academy of Pathology

American Society of Hematology

Association for Molecular Pathology

## Recent Invited Presentations

2020                      Grand Rounds, Department of Pathology, VCUHS  
Topic: Know your limits! Understanding differences in genetic testing methods is essential for proper clinical interpretation

2019                      Grand Rounds, Department of Pathology, VCUHS  
Topic: Laboratory test utilization at VCUHS

## Recent Publications

Gupta G, Raynaud M, Kumar D, Sanghi P, Chang J, Kimball P, Kang L, Levy M, Sharma A, Bhati CS, Kamal L, Yakubu I, Massey HD, **Kidd C**, King AL, Halloran PF. Impact of belatacept conversion on kidney transplant function, histology, and gene expression - a single-center study. Transpl Int. 2020 Nov;33(11):1458-1471.
