

Susan D. Roseff, MD

Chair, Division of Clinical Pathology
Medical Director, Apheresis
Associate Director, Resident Training Program
Professor, Department of Pathology
Co-Course Director, M1 Marrow
Department of Pathology
Virginia Commonwealth University
Office: (804) 828-0255; Fax: (804) 828-6156
Susan.Roseff@vcuhealth.org

Licenses & Certifications

Medical Licenses

Virginia

Georgia

South Carolina

North Carolina

Board Certifications

American Board of Pathology

Transfusion Medicine/ Blood Banking, 1994 Clinical Pathology, 1992

National Board of Medical Examiners Diplomate, 1987

Education

Residency

Department of Pathology, George Washington University Medical Center,
Washington, DC

Internship

Department of Pediatrics, Duke University Medical Center, Durham, NC

Medical Education

MD, Albany Medical College, Albany, New York

Post-baccalaureate student, University of Pennsylvania, Philadelphia; PA AB (Biology), Brown University, Providence, Rhode Island

Awards

Outstanding Teacher Award, Excellence in Leadership Pre-Clinical Division Director (Marrow, Applied Medical Sciences), 2017, Outstanding Teacher Award, Best Teacher, (Marrow, Applied Medical Sciences), 2017

Outstanding Teacher Award, Excellence in Leadership Pre-Clinical Division Director (Marrow, Applied Medical Sciences), 2016, Outstanding Teacher Award, Best Teacher, (Marrow, Applied Medical Sciences), 2016

Outstanding Teacher Award, High Evaluation, (Marrow, Applied Medical Sciences), 2015

Enrique Gerszten Faculty Teaching Excellence Award, 2014

Outstanding Teacher Award (M2a Marrow, Applied Clinical Sciences), 2014

Best Teacher Award (MII Hematology/Oncology Course), 2013-2014

Best Teacher Award (MII Hematology/Oncology Course), 2012-2013

Best Teacher Award (M-II Hematology/Oncology Course), 2011-2012 Best Teacher Award (M-II Hematology/Oncology Course), 2010-2011

Outstanding Teacher Certificate Award (M-II Hematology/Oncology Course), 2009-2010, 2002-2003

The Saul Kay Award, Department of Pathology, presented by the graduating residents to a faculty member who is uniquely dedicated and effective in resident teaching, 2006

Virginia Commonwealth University and Medical Center Appointments

Current (Department of Pathology)

Vice Chair, Department of Pathology

Chair, Division of Clinical Pathology

Associate Director, Resident Training Program

Medical Director, Apheresis Attending, Transfusion Medicine

Performance Improvement Committee Executive Committee

Clinical Services Strategic Planning Committee

Current (VCU)

VCU School of Medicine, Promotions Committee

VCU, Public Health Response Team which was organized for the University's response to COVID-19.

Current (VCU Health System)

Co-director, Laboratory Utilization Committee

EPIC Lab Leadership Workgroup

Blood Utilization Committee

Professional Organizations

AABB (formerly American Association of Blood Banks) American Association for

Physician Leadership American Society for Apheresis

American Society of Clinical Pathologists American Society of Hematology

College of American Pathologists International Society of Blood Transfusion

Professional Service

National Committee - Leadership Role

Board of Directors, Mid-Atlantic District Director, AABB, 2008-2013 Board of Directors, At Large Representative, AABB, 2014-2016 Standards Committee, Chair, AABB 2013-2014

Secretary, AABB Board of Directors 2016-2017

National Committees

Blood Safety and Availability Committee - Department of Health and Human Services, 2005 – 2008, 2012 – 2015 (AABB Representative)

Transfusion Medicine Resource Committee, College of American Pathologists, 2005- 2011

Member, Test Development and Advisory Committee Manual for Transfusion Medicine, American Board of Pathology, 2002-2019

Member, Economics Affair Committee, College of American Pathologist, 2019-present

Member, Editorial Board, Transfusion (publication of AABB), 2019-present

Recent Grants

Local Co-PI, Sickle Cell Disease and Cardiovascular Risk – Red cell Exchange Trial (SCD-CARRE), NHLBI, began 2020.

Sub-investigator, A randomized, double-blinded, controlled, parallel groups study with the Intercept Blood System for red blood cells in regions at potential risk for Zika virus transfusion-transmission infections (RedeS Study) and treatment use open-label (Extension Study). Cerus Corporation, began 2018.

Interests

Pediatric transfusion therapy, clinical apheresis, blood component therapy, immunohematology, sickle cell disease, laboratory test utilization.
