

VCU Pathology Grand Rounds

“A long way from E-rosettes: A 50-year journey through acute lymphoblastic leukemia”

Michael Joseph Borowitz, M.D., Ph.D.

Director, Division of Hematologic Pathology

Professor of Pathology

John Hopkins University School of Medicine

At the conclusion of this activity, the participant will be able to:

1. Define important prognostic factors in ALL
2. Describe methods for minimal residual testing and discuss how this is used to determine ALL therapy
3. Discuss the evolution of ALL classification, emphasizing how genetic testing has identified new entities

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
