

“Thyroid: New 2023 Bethesda Updates for Atypia of Undetermined Significance”

Michael Castro, MD
PGY 4
Department of Pathology
Virginia Commonwealth University
School of Medicine

At the conclusion of this activity, the participant will be able to:

1. Define atypia of undetermined significance (AUS) and subclassifications
2. Discuss the new 2023 updates on The Bethesda System for Reporting Thyroid Cytopathology
3. Understand the management challenges providers encounter when a patient receives an AUS diagnosis

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
