"Oncogenic Fusions in Thyroid and Salivary Gland Carcinomas"

Ying-Hsia Chu, M.D.
Staff Pathologist
Head and Neck and Molecular Pathology
Chang Gung Memorial Hospital

At the conclusion of this activity, the participant will be able to:

1. Understand common oncogenic mechanisms of gene fusions in human cancers
2. Describe the clinicopathologic features of kinase fusion-driven thyroid carcinoma
3. Gain an updated overview of tumorigenic gene fusions underlying salivary carcinoma

Date: Tuesday, August 16, 2022
Time: 9:00 AM
Location: Zoom Attendance Only
