

VCU Pathology Grand Rounds

"BRAF V600 Mutation Testing in Melanoma Patients: A Comparison of Platforms"

Jacob Collie, DO
Molecular Genetic Pathology Fellow
Department of Pathology
Virginia Commonwealth University
School of Medicine

At the conclusion of this activity, the participant will be able to:

1. Discuss the indication and importance of BRAF mutation testing in melanoma patients.
2. Understand BRAF mutation classes, implications for therapy, and treatment resistance
3. Compare pertinent platforms for BRAF mutation testing, with an introduction to molecular test validation

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Accreditation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

Credit Designation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System designates this live activity for a maximum of **1.00 AMA PRA Category 1 Credit(s)**™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
