

VCU Pathology Grand Rounds

“Whole Genome Sequencing for Clinical Cancer Diagnostics”

Eric Duncavage, MD

Professor

Department of Pathology and Immunology
Division of Anatomic and Molecular Pathology
Washington University School of Medicine

At the conclusion of this activity, the participant will be able to:

1. Describe key technical advances that have allowed the clinical use of WGS
2. Identify diagnostic situations where WGS can provide additional data beyond that obtained by conventional data.
3. Describe how WGS can be used in the clinical diagnosis of myeloid disorders

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Accreditation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

Credit Designation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System designates this live activity for a maximum of **1.00 AMA PRA Category 1 Credit(s)**™. **Physicians should claim only the credit commensurate with the extent of their participation in the activity.**
