

“Driving Under the Influence of Cannabis: Combining Toxicology Testing with Field Sobriety Tests”

Robert L. Fitzgerald, PhD, DABCC

Professor

Department of Pathology

Director of the Toxicology Laboratory

University of California, San Diego

At the conclusion of this activity, the participant will be able to:

1. Discuss the results of the largest clinical trial evaluating the effect of cannabis on driving performance
2. Discuss the time frame in which cannabis has a negative impact on simulated driving performance
3. Describe how well standardized field sobriety tests performed by certified Drug Recognition Experts (DREs) work for identifying cannabis impairment

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Accreditation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

Credit Designation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System designates this live activity for a maximum of **1.00 AMA PRA Category 1 Credit(s)™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
