

VCU Pathology Grand Rounds

“Inflammatory disease and metastasis in the visceral cavity – novel methods and concepts”

Gwendalyn Randolph, PhD

Emil R. Unanue Distinguished Professor of Pathology and Immunology
Director of Immunology Graduate Program
Washington University
School of Medicine

At the conclusion of this activity, the participant will be able to:

1. Identify pathophysiological mechanisms that impact the mesentery and mesenteric lymphatics in Crohn's disease
2. Seek an understanding for the role of visceral adipocytes in impacting pathologies in the visceral cavity from complications of Crohn's disease to tumor metastasis in the peritoneal cavity
3. Compare macrophages of the serosal cavities between mouse and humans

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Accreditation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

Credit Designation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System designates this live activity for a maximum of **1.00 AMA PRA Category 1 Credit(s)™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
