

# VCU Pathology Grand Rounds

## “Development and Clinical Utility of Genome-wide Chromosomal Microarrays for Assessment of Mesenchymal Tumors, Hematological Malignancies, and Constitutional Cases”

**Kathleen Gwilliam, PhD**  
Laboratory Genetics and Genomics Fellow  
Department of Pathology  
Virginia Commonwealth University  
School of Medicine

### At the conclusion of this activity, the participant will be able to:

1. Understand different technologies utilized in the diagnosis of mesenchymal neoplasms
2. Summarize how chromosomal microarrays are performed and ways to improve chromosomal microarray testing workflows
3. Review the clinical indications and analysis workflows for chromosomal microarrays

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**Accreditation:** VCU Health Continuing Medical Education of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

**Credit Designation:** VCU Health Continuing Medical Education of Virginia Commonwealth University Health System designates this live activity for a maximum of **1.00 AMA PRA Category 1 Credit(s)™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
