

VCU Pathology Grand Rounds

“Microglia in Infection: Tracking Their Responses, Roles, and Roadblocks”

Tajie H. Harris, Ph.D.

Associate Professor
Department of Neuroscience
University of Virginia School of Medicine

At the conclusion of this activity, the participant will be able to:

1. Microglia are unique macrophages of the central nervous system
2. Microglia make immune responses to brain infection
3. Common methods for genetically targeting microglia can be improved

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Accreditation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.
