

# VCU Pathology Grand Rounds

## “Review of Platelet Transfusion Practices in the NICU and Newborn Nursery”

**Michael Meade, M. D.**  
Transfusion Medicine Fellow  
Department of Pathology  
Beth Israel Deaconess Medical Center

**At the conclusion of this activity, the participant will be able to:**

1. Identify/evaluate unique considerations with regards to platelet transfusion thresholds in the preterm neonatal population
2. Analyze results from the PlaNeT-2 Trial and discuss how these inform transfusion practices in this population
3. Discuss how these data can help promote changes in institutional guidelines by utilizing evidence-based practices

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**Accreditation:** VCU Health Continuing Medical Education of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.
