

VCU Pathology Grand Rounds

"Evaluation of Fine-Needle Aspiration Biopsy in the diagnosis of lymphomas"

Sara Mustafa, MD,
Hematopathology Fellow
Department of Pathology
Virginia Commonwealth University
VCU School of Medicine

At the conclusion of this activity, the participant will be able to:

1. Assess the utility of FNA biopsy in lymphoma diagnosis
2. Determine the optimal use of ancillary studies in reaching a diagnosis
3. Compare between FNA diagnosis and subsequent resections/biopsies (concordance/discordance rates)

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Accreditation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

Credit Designation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System designates this live activity for a maximum of **1.00 AMA PRA Category 1 Credit(s)**™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
