

“Oncogenic KRAS as a Regulator of the Pancreatic Cancer Microenvironment”

Marina Pasca di Magliano, PhD
Maud T. Lane Professor of Surgical Immunology
Professor, Hepatopancreatobiliary Surgery
Professor, Cell and Developmental Biology, University of Michigan

At the conclusion of this activity, the participant will be able to:

1. Identify the characteristics and statistics of pancreatic cancer
2. Define that pancreatic cancer has an extensive tumor microenvironment and how the microenvironment forms
3. Understand systemic changes in pancreatic cancer patients

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
