

VCU Pathology Grand Rounds

“The Past, Present, and Future of STK11 Mutations In Non-Small Cell Lung Carcinoma”

Patrick Memari, DO
Cytopathology Fellow
Department of Pathology
Virginia Commonwealth University
School of Medicine

At the conclusion of this activity, the participant will be able to:

1. Discuss the impacts of advancing molecular diagnostics on non-small cell lung carcinoma
2. Identify the role of STK11 gene mutations in the setting of non-small cell lung carcinoma
3. Assess the role of targeted therapies for non-small cell lung carcinoma as our understanding of mutational profiles expands

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Accreditation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

Credit Designation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System designates this live activity for a maximum of **1.00 AMA PRA Category 1 Credit(s)**™. **Physicians should claim only the credit commensurate with the extent of their participation in the activity.**
