“The Past, Present, and Future of STK11 Mutations In Non-Small Cell Lung Carcinoma”

Patrick Memari, DO
Cytopathology Fellow
Department of Pathology
Virginia Commonwealth University
School of Medicine

At the conclusion of this activity, the participant will be able to:

1. Discuss the impacts of advancing molecular diagnostics on non-small cell lung carcinoma
2. Identify the role of STK11 gene mutations in the setting of non-small cell lung carcinoma
3. Assess the role of targeted therapies for non-small cell lung carcinoma as our understanding of mutational profiles expands

Accreditation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.
Credit Designation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System designates this live activity for a maximum of 1.00 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
