

VCU Pathology Grand Rounds

“Multi-method cytogenetic and molecular testing in practice”

Kelly Rafferty PhD, MS CGC
Laboratory Genetics and Genomics Fellows
Department of Pathology
Virginia Commonwealth University School of Medicine

At the conclusion of this activity, the participant will be able to:

1. Understand the importance of combining information obtained through multiple cytogenetic and molecular testing methods
2. Learn how cytogenetic testing is used for various clinical indications
3. Discuss several examples of structural chromosomal abnormalities

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Accreditation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

Credit Designation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System designates this live activity for a maximum of **1.00 AMA PRA Category 1 Credit(s)™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
