

VCU Pathology Grand Rounds

“How analysis of human skin cancer directs modeling and therapeutics”

John T. Seykora, M.D., Ph.D.

Associate Professor, Departments of Dermatology and Pathology
Director, Skin Research Histology Core
Perelman School of Medicine at the University of Pennsylvania

At the conclusion of this activity, the participant will be able to:

1. Design models of UV-induced skin cancer
2. Use skin cancer models to identify and test new therapies
3. Develop new strategies to study skin cancer using 'omic' approaches

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Accreditation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

Credit Designation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System designates this live activity for a maximum of **1.00 AMA PRA Category 1 Credit(s)**™. **Physicians should claim only the credit commensurate with the extent of their participation in the activity.**
