Molecular Testing in Myeloproliferative Neoplasms: An overview and update

Nasim Babaidorabad, MD
Hematopathology Fellow
Department of Pathology

At the conclusion of this activity, the participant will be able to:

1. Clinical significance of DNA variants in chronic myeloproliferative neoplasm (CMN)
2. Describe predictive and prognostic molecular biomarkers for chronic myeloproliferative neoplasm
3. Understand various molecular testing methodologies, especially next generation sequencing, in CMN

Accreditation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

Credit Designation: VCU Health Continuing Medical Education of Virginia Commonwealth University Health System designates this live activity for a maximum of 1.00 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
