"Rare versus Few: The Creation and Implementation of a New Reporting System for CSF Cytopathology"

Caleb King, MD
Cytopathology Fellow
VCU School of Medicine

At the conclusion of this activity, the participant will be able to:

1. Understand the history of the field of Cytopathology
2. Recognize the role and history of reporting systems currently used in Cytopathology
3. Understand the utility and difficulties involved in the creation of a new reporting system
