Pathology Across the Ocean: A Personal Experience

Jaime Singh, MD
PGY4 Resident
Department of Pathology

At the conclusion of this activity, the participant will be able to:

1. To gain insight into the practice of anatomic pathology in a developing country
2. To gain a better understanding of the efforts made to deliver effective and sustainable healthcare with limited resources
3. To be inspired to take part in a Global Health program that will provide cost-effective, sustainable solutions to improve laboratory quality and patient care across the globe
