

Acknowledgment:

Studies utilizing TDAAC resources should reference the **Tissue and Data Acquisition and Analysis Core (TDAAC)** in their publication acknowledgment section. The statement should read:

"[Human tissues, patient consents, clinical data (or other appropriate service)] were/was provided by the VCU Tissue and Data Acquisition and Analysis Core (TDAAC) Facility, supported, in part, with the funding from NIH-NCI Cancer Center Core Support Grant P30 CA016059, as well as through the Dept. of Pathology, School of Medicine, and Massey Cancer Center of Virginia Commonwealth University."

Thank you.
